**Here Comes the Sun**

**Nomination Form for Free 5 kW Rooftop Solar**

CBS Solar is committed to providing access to solar energy for lower income families that wouldn't financially be able to purchase solar power for their home. As part of our commitment to our community, CBS Solar will donate and install a 5.28-Kilowatt Rooftop Array for at least 1 person or family in 2026. **If you would like to nominate an individual or family, please complete the nomination form below.** CBS Solar will evaluate the site and choose from the nominations. The family or individual must be the homeowner, have the electric bill in their name, and a qualifying roof & electrical structure. Nominee needs to be within our main service area: Antrim, Benzie, Charlevoix, Emmet, Grand Traverse, Kalkaska, Leelanau, Manistee, and Wexford Counties. (Please discuss the details with the family you are recommending.)
