Subject: Reference letter for CBS Solar

To whom this may concern:

In 2018, CBS Solar construct a 56 photovoltaic panel solar array for Meridian Township. The array produces approximately 20 kilowatts per hour (kWh) in an hour of full sun. This solar array was constructed on the grounds of our Municipal Complex, located at 5151 Marsh Rd, Okemos, MI 48864. The solar array is located at the northwest corner of the Marsh Rd and Central Park Dr intersection.

CBS Solar did an exemplary job fulfilling the contract requirements for this project with the Township. We would highly recommend them for similar projects.

Sincerely,

Dan Opsommer
Deputy Township Manager
Director of Public Works & Engineering
